

a
great
day out
for all the family

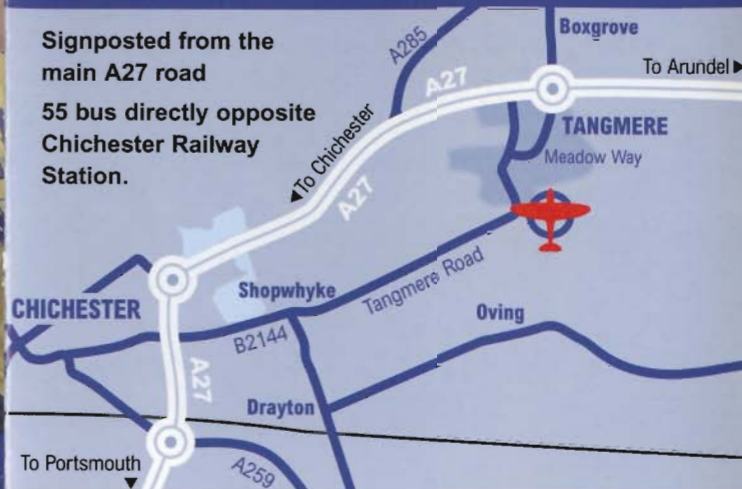

The Museum offers something for everyone – young and old, male and female, there is so much to see and do. The Museum cafeteria offers a fine selection of food and drinks and the Shop has a wide variety of books, models and other items on sale to take away mementos of your visit. Wheelchair and disabled facilities.

see it

See our wonderful collection of important historic aircraft and artefacts. See Spitfires, a Hurricane, Hunters, Meteors, a Phantom, a Lightning, a Sea Harrier, a Sea Vixen and more. See countless unique and fascinating artefacts like our SOE exhibits, our models, our uniforms, our medals, our touch-screen displays and more in our five display halls.

feel it

Feel the atmosphere of our wartime heritage, our many period displays and our memorial garden. Feel the sense of history, the sense of participation and the respect for the men and women whose expertise and selfless achievement provided our unique aviation heritage. Feel the excitement of world airspeed record breaking aircraft. Feel the achievement.

touch it

Touch the many interactive displays. Fly our flight simulators, sit in the cockpit of an historic jet fighter, try your skills on early pilot aptitude equipment. Enjoy the touch-screen display presentations around the Museum. Touch history.
